BILL TAYLOR - KD4IL - EDITOR

Net report from Wednesday night CDXA NET(147.36)

Here is another quarterly DX Net report that covers the period from 19 June to 4 September. There were 44 different calls checking in this period, 4 more than the last quarter. Those having perfect attendance, which may not mean they worked the most DX, were N4UH, AB4ZM and N4ZC. Those missing only one secession were KB4JS and N4YDT.

With the Fall DX season in full swing, even more interest may be shown in the CDXA Net. Remember that the NET meets on Wednesday night at 8:30 pm EST. on the Boone repeater on 147.36mHz.
